Kansas School for the Deaf Outreach Services provides comprehensive evaluations for any deaf/hard of hearing students in the state of Kansas. Areas evaluated include audiology, psychology, social-emotional, speech and language (English and American Sign Language), and academics. Student evaluations can be conducted for the student’s 3-year evaluation or any time the local district would like more in-depth knowledge about how a student is performing. The Local Education Agency and parents are directly involved in the evaluation process.
